

MEMORANDUM

4 April 1944

To: Members of the Interdepartmental Committee
From: Ensign Frederick G. Kilgour, USNR
Subject: Monthly Report - March

The Interdepartmental Committee received and distributed 5,282 issues of original publications. 200 books were received and distributed. 11,283 issues of publications on microfilm were received and 101,721 issues on film were distributed to 49 agencies. Lists 65 to 82 of original publications available for loan were prepared and distributed.

The Subject Index Section published and distributed eleven issues of The Subject Index to Foreign Publications with a total of 3070 items relating to 27 countries. It furnished 170 original abstracts and translations and distributed 6100 copies of these abstracts to 17 agencies. Translations were made and published of the Tables of Content of 1035 articles in 89 periodical issues. 25 items considered to be of special intelligence value were sent to OWI, MIS, and OSS. The Section's facilities were made available to 23 visitors. Arrangements were made with the Enemy Oil Committee to furnish special abstracting service.
